This document is not an invitation to invest in any fund and does not constitute a public offering of sale. The funds are only available under prospectus exemptions and other exemptions available to investors who meet certain eligibility or minimum purchase requirements. Currently these exemptions include the accredited investor exemption and the \$150,000 minimum purchase exemption for non-individual investors. Each purchaser of units in a fund may have statutory or contractual rights of action. The offering of units of the funds is made pursuant to an Offering Memorandum and the information contained herein is a summary only and is qualified by the more detailed information in the Offering Memorandum. Information presented in this material should not be construed as investment or financial advice. Please consult a Financial Advisor. Please read the offering memorandum before investing.

<sup>1</sup>Effective May 20, 2021, the management fee for Series A changed from 1.35% to 1.30% and Series F changed from 0.60% to 0.55%.

Commission, trailing commissions, management fee and expenses may be associated with investments. Products are not guaranteed, their values change frequently and past performance may not be repeated.
