

# Canso Corporate Bond Fund – Series F

Fund Code: CFM124F

Portfolio Manager: Canso Investment Counsel

As of: May 31, 2022

Fund Category: Fixed Income

## Investment Focus

Established in 1997 by John Carswell, Canso currently manages over \$30 billion in assets. Canso is a investment management firm that has demonstrated independent research expertise in fundamental analysis.

## Why Invest In This Fund

### SIGNIFICANT VALUE-ADDED BY INFORMED SECURITY SELECTION

- Canso has access to institutional fund management capabilities
- Canso emphasizes ‘bottom up’ and ‘deep value’ security selection
- Canso exploits market liquidity to the advantage of our investors
- Canso’s investment portfolios are built on a foundation of proprietary and independent research

The Fund has achieved returns through a diversified portfolio comprised primarily of Canadian dollar denominated corporate debt and money market securities. The Fund will have a maximum of 50% in issues rated BBB, and no security will be purchased that is rated below BBB- or equivalent.

## Canso Corporate Bond Fund – Series F

---

Canso Fund Management Ltd. is the investment fund manager of the Canso Corporate Bond Fund (the “Fund”). This document is not an invitation to invest in the Fund and does not constitute a public offering of sale. The Fund is only available under prospectus exemptions and other exemptions available to investors who meet certain eligibility or minimum purchase requirements. Currently these exemptions include the accredited investor exemption and the \$150,000 minimum purchase exemption for non-individual investors. Each purchaser of Units in the Fund may have statutory or contractual rights of action. The offering of Units of the Fund is made pursuant to an Offering Memorandum and the information contained herein is a summary only and is qualified by the more detailed information in the Offering Memorandum. Information presented in this material should not be construed as investment or financial advice. Please consult a Financial Advisor. Please read the offering memorandum before investing.

Commission, trailing commissions, management fee and expenses may be associated with investments. Products are not guaranteed, their values change frequently and past performance may not be repeated. The indicated rates of return are historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Historical fund returns are based on Series C NAVs which include a management fee of 0.40%. Information provided is believed to be reliable when published. All information is subject to modification from time to time without notice. Please read the offering document carefully before investing. Effective May 20, 2021, the management fee for Series A changed from 1.35% to 1.30% and Series F changed from 0.60% to 0.55%.

<sup>1</sup>Fixed income securities unrated by external agencies are assigned an internal Canso rating for Average Credit Quality.
