Why Invest in this Fund?

Established in 1997, Canso Investment Counsel Ltd. is an independent firm focused on bottom-up security selection and fundamental credit research.

Canso utilizes its proprietary Maximum Loss analysis as a risk management tool to size positions while maintaining concentrated portfolios with high conviction in their best ideas.

This independent credit expertise and investment management experience enables Canso to buy securities when they are out of favour and priced at a discount to their intrinsic value.

- **Core Fixed Income Solution** – Portfolio comprises primarily of investment grade corporate bonds that seek to provide income and preserve capital.
- **Adaptable to Market Conditions** – Portfolio has the flexibility to shorten duration and diversify across all geographies while maintaining primarily CAD currency exposure.
- **Extensive Investment Management Expertise** – Large investment team with experienced credit specialists with expertise in determining default risks and recovery values of issuers to identify corporate bond opportunities. The continuity of the team has contributed to the successful management of investor portfolios over different market cycles.

Lysander-Canso Bond Fund – Series A

Lysander Funds Limited is the investment fund manager of Lysander-Canso Bond Fund (the “Fund”). This document is not an invitation to invest in the Fund and does not constitute a public offering of sale. Purchases in the Fund can only be made through an Investment Professional on the terms in the Fund’s offering document by eligible investors. Each purchaser of units in a fund may have statutory or contractual right of action. Please read the prospectus before investing. Commissions, trailing commissions, management fees and expenses all may be associated with investment funds.

The indicated rates of return are historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed or insured, their values change frequently and past performance may not be repeated.

² Fixed income securities unrated by external agencies are assigned an internal Canso rating for Average Credit Quality.

³ Distributions are based on the actual number of units outstanding at the relevant time. Distributions are paid in cash or reinvested in additional units. If the series’ net income/capital gains is less than the amounts distributed in the year, the distribution will include a return of capital. In these circumstances, if an investor elects to receive their distributions in cash and not reinvest distributions, it is expected that the value of their investment will decline over time. Distributions are not an indication of performance, rate of return or yield.
